DIRECTOR'S CORNER

Wow, this summer has flown by, it is crazy to think that Lena starts back to school soon! We will soon be thinking of leaves falling and then it will be time to put our cars away for the winter.

We had a great time at the Central Meet and for start of the Anniversary Meet. We decided to leave Thursday morning. The reason the Meet was postponed a year ago was Covid. As the Meet went on, it was apparent that Covid was still present. First Steph started showing symptoms then Lena started to show signs Wednesday night. It was a fun event while we were there and I got to participate in lots of fun activities and so did Lena. Lena is already bugging me about next year's Central Meet. As has been the normal the last 2 years, I took too many cars to the Meets as I hauled my new enclosed trailer with my 1915 Baby Grand and Mike McFarland's 1928 Coupe and mom drove our 1974 Caprice down.

At the directors meeting, we had great discussions and I brought up several things we have discussed as a region to help grow our membership. The largest take away that we discussed is how much Facebook can help ourselves and VCCA as a national club grow. Also during the meetings we discussed future Central Meets. Thankfully since we participated in doing the meet last year in Lima, we are not expected to host another meet anytime soon, but I would ask we keep it in the back of our minds that some year soon we will be asked to host another Central Meet.

Chris Cufur, Mike Cook and I are discussing dates for our next Chevrolets and Coffee Please plan on attending when we do finalize a date and we can start publishing to have a great turn out again. We did do a drawing for a free membership from our last Chevrolets and Coffee and I would like to welcome Steve Oltman to our region and national VCCA. Steve was one of the participants that indicated having interest in

our club. We hope to see you Steve at one of our future activities, please watch the newsletter for an upcoming event.

This is an Election Year for our Region, if you would like to step up to an elected position please let myself or Dave Cufur know It will be best to have all nominations in by the end of September so we can vote in October (if you decide at the last minute at the October meeting to nominate or volunteer that is okay we can add you to the ballot) Director, Vice Director, Treasurer, Secretary and 2 Board Positions are up for election.
