## **DIRECTOR'S CORNER**

As we have turned the page to June, car show and cruise night season is in full affect. This past weekend was a busy one for Bennett and me. First we went to the Perrysburg Cruise night. Then we enjoyed a full day show hosted by the Western Buckeye Region in Lima and finally on Sunday we enjoyed the annual Cops and Rodders show at the Toledo Police Museum. Bennett did great for all 3 days, but by the time it came to go to sleep Sunday he was beyond ready.

At our meeting in May and then during a small discussion at the Lima car show, we finalized some of the Ideas for our Chevrolet's and Coffee, please see the attached Flyer. Please let me know if you need Flyers to pass out, I will try my best to get out to some local shows and pass out flyers. This will be a great way to get car people aware of the VCCA and our Region in the in area and hopefully interest some new members. Please try to attend this show and help out where you can, feel free to contact Chris Cufur, Mike Cook or myself to let us know if you can help.

As you are reading this, we are less than 2 months away from the Anniversary Meet and Central Meet in Bowling Green KY. If you have not made your reservations, you still have about 2 weeks left so get those sent in. We will be having 2 known traveling groups going down, Dave and Chris Cufur will be leading the first group down on Thursday (28th) in the morning; the Jurski family will be leaving Thursday evening around 5/6pm, Please let either one of the groups know if you would like to travel with them. I still have the VCCA raffle tickets and will be turning them over to Dave Cufur at the Great Race gathering, if you would like some let me know.

**June GCR Meeting** – Tuesday, June 21, 2022 @ 2:30 pm

**2022 Great Race by Hemmings Motor News- Tuesday, June 21**

The cars and drivers in the 2022 Great Race, traveling from Warwick, RI, have an overnight stop in Perrysburg, Ohio, on Tuesday, June 21, enroute to Fargo, ND. The VCCA and Glass Capitol Region and guests have been invited to bring your vintage Chevrolets to Perrysburg to display them along Louisiana Ave. as a "vintage welcome" to the racers. The Perrysburg Chamber of Commerce and Rick Ruffner of O'Deer Diner are making plans for one of the biggest events to hit this city. The Racers will enter the city from the South on OH-199 and park on Louisiana Ave. north of the tracks.

If you can bring your Vintage Chevrolet and join in the festivities, Rick is asking that you have it in the Friday Night Cruise-in field by 2:30pm. The racers are expected to arrive around 4-4:30m. Many of the local car clubs will be present, each having their own designated area. **Please RSVP to Lynn Rupp at 419-705-2326 or [lynnrupp2@gmail.com](mailto:lynnrupp2@gmail.com) by June 14th if you are bringing a car.** Rick needs to know the count to map out the areas for each club. I don't know the parking plans for a modern car, as they expect 10-15,000 people at the event. But I will ask Rick when I call him with our numbers in that last week, as well as to inquire if food trucks will be available.

### **GCR Meeting** – May 22, 2022

A Region meeting was held at the Dave White Family Collision Center on Alexis Road to discuss plans for a possible Chevrolets and Coffee later in the year. See the Minutes of the May 22 Meeting later in the newsletter for more information about the gathering.

### **GCR Meeting** – June 4, 2022

A group of GCR members traveled to the WBR 2<sup>nd</sup> Annual Public Car Show in Lima Ohio support the Western Buckeye Region. A brief Region meeting was held during the car show to address and finalize the Chevrolets and Coffee event being planned. A Chevrolet and Coffee flyer is attached to the newsletter. See the Minutes of the June 4 Meeting for meeting details. Also included in the newsletter is a “unique” photo presentation of some of the cars at the show.

## **MINUTES OF THE MAY 22, 2022 MEETING OF THE VINTAGE CHEVROLET CLUB OF AMERICA GLASS CAPITOL REGION**

Today's meeting was held under the generous awning at the Dave White Family Collision Center on Alexis Road. Those in attendance were Andy Jurski, Art Lutz, Paul Svatik, Eileen Cufur, Chris & Debbie Cufur and Lynn & Karen Rupp.

Paul Svatik made a motion to accept the minutes from the April meeting as printed in the Stove Bolt News. Art Lutz seconded the motion and the motion passed.

Art Lutz reported the treasury balance as of April 30, 2022. Eileen Cufur made a motion to accept which was seconded by Paul Svatik and the motion carried.

Karen Rupp reported that she had sent a card to Eileen Cufur from the Club.

Paul Svatik reported the sale of one bracket. The price of postage has risen drastically. We will revisit pricing in the fall.

Discussion turned to our plans for our Chevys and Coffee event. It will be held here at the Dave White Family Collision Center on the grass lot to the North of the building. There will be no public access to the building so we will need to provide a “porta potty.” There was discussion about hosting 2 shows this summer as the first event may have limited success and having a second show could increase the turnout for the second show if the first is well received. The GCR will provide coffee, bottled water and donuts. Chris Cufur made a motion for a budget of \$300.00 per event. Eileen Cufur seconded the motion and the motion passed. Dates were discussed with a tentative date of July 9, 2022 for the first show and a fall date for the second. The committee will look into the second date and design flyers to be handed out with both dates. There was discussion to give away 2 or 4 electronic National memberships along with 2 or 4 GCR memberships. Andy can provide a canopy tent.

Chris Cufu asks that everyone look for the article in the June G & D pertaining to his Next Gen Article. This proposal has been presented to the National Board for their consideration. The Board will vote on it in June, so, if you have questions or concerns contact your board member (Dave Cufu). It is expected that it will pass.

Ashley Cook has been busy designing a Google calendar.

Lynn Rupp has designed a tour down to the Western Buckeye Region Car show on Saturday June 4, 2022. Members interested in going should meet at the McDonalds on Dussell Dr. to leave by 8:00am. It's about a 1 ½ hour drive.

“The Great Race” will be arriving in Perrysburg, Ohio on Tuesday June 21, 2022. The GCR has been invited to be one of the clubs to be “eye candy” on display as they arrive. Those interested should arrive to Louisiana Avenue and be parked in place by 2-2:30pm for their expected arrival between 4 and 4:30pm.

Lynn Rupp made a motion to budget \$100.00 for a raffle basket to donate to the 60<sup>th</sup> Anniversary Meet in July. Andy seconded the motion. Motion passed. Debbie Cufu volunteered to assemble the basket.

Andy made a motion to adjourn with Karen seconding. We adjourned.

**MINUTES OF THE June 4, 2022  
MEETING OF THE VINTAGE CHEVROLET CLUB OF AMERICA  
GLASS CAPITOL REGION**

Lynn & Karen Rupp designed the tour that led Art Lutz, Paul Svatik, Andy & Bennett Jurski, Ashley & Mike & Holly Cook, Lynn Rupp and John Bendzick to the Western Buckeye car show in Lima along with guest Sue Jurski. They were joined there by Chris, Dave & Eileen Cufu.

During the beautiful afternoon a quick meeting was called to discuss the upcoming Chevys and Coffee cruise-in on July 9<sup>th</sup>. Two possible locations were discussed and evaluated. It was decided that we would proceed with Dave White's Family Collision Center on Alexis Rd. The second location was a carry-out at Airport Highway & Crissey Rd. We will have the one date and location on the original flyer to be distributed. Further discussion will be held with members and cruise-in participants about a second cruise in and its location.

John Bendzick has shared a \$100.00 charity distribution to the GCR towards our annual charity donation. Thank you John for thinking of us!

Meeting adjourned.

*Eileen Cufu, Secretary*
