DIRECTOR'S CORNER

As the calendar has flipped to November it is crazy for me to think Bennett is turning 1 on the 17th! This past year has gone by fast and I am already looking forward to next year.

We had an amazing tour last month to John & Charlene Bendzick's farm in Michigan. The weather was perfect and the colors were exceptional. I would like to thank Eileen Cufur for serving as secretary for the past 3 years and Chris Cufur for serving on the board as well. All other elected officers are staying in their positions for the next 2 years. Thank You everyone that has served.

As we discussed at our last meeting, we would like to get a schedule of events out for next year so members can plan accordingly. Please start getting your ideas together so we can plan. Can you host a meeting or share any new ideas you would like to see our region do for meetings or tours?

Ashley Cook has volunteered to do a google calendar for events so please plan to give her your information if you would like to be included on these invites. Also there has been discussions about an actual website outside of Facebook, unfortunately at this time I do not have time to explore any options if someone would be willing to step forward and possibly bring any information to the January Board meeting that would be great.

As the weather has turned colder I have already gotten all the cars put away for the winter months. While I was putting some of the cars away in the far back garage, I did get a chance to hang up some of the memorabilia that I took down when I painted the inside a few years ago. For those on Facebook I recommend "liking" the page GM/CHEVROLET MEMORABILIA COLLECTORS-BUY/SELL/SHOW page. Some of the items and collections people share are absolutely amazing.

GCR Meeting – Sunday, December 11th at 1pm

There will be no November GCR meeting.

The next GCR meeting will be the GCR Annual Christmas Party. We will also install the 2023 – 24 Region officers at this meeting.

The location will be:
Alexis Gardens; 4560 W. Alexis Rd Toledo, Ohio 43623

The Jurski/Lescallett families will provide the main dish and beverages. Please RSVP to Andy at 419-262-0789 and let him know if you plan to attend and what side dish or dessert you might be bringing to share. For our traditional gift exchange, we will do the white elephant as in years past. Please try to stay in the range of \$10-\$15 for your gift. For those of you with children, it is recommended you bring a gift for your own child.

October GCR Meeting – October 22

The October GCR meeting was hosted by John & Charlene Bendzick at their farm in Milan, Michigan. Lynn Rupp put together a great color tour to get us to and from the farm's location in rural Michigan. We traveled from Sylvania to the farm on two-lane roads and through some small quaint communities. The coloring of the leaves of some areas were beautiful! One of my favorite locations was Blissfield, Michigan where the trees displayed bright orange and red coloring!

Charlene and John outdid themselves for this gathering. Their food offering consisted of pulled pork with barbecue sauce on the side; fresh seasoned tomato slices and salads along with a couple of desserts. Region members that traveled to gathering provided additional desserts. We ate very well before our meeting!

After the meeting some of the men played "corn hole" on boards in the backyard. Note, we were truly among the fall leaves!

**MINUTES
OF THE OCTOBER 22, 2022
MEETING OF THE VINTAGE CHEVROLET CLUB OF AMERICA
GLASS CAPITOL REGION**

It was a beautiful fall day when GCR members toured to the Michigan home of John & Charlene Bendzick. Members Paul Svatik, Mary Lou Lister, Lynn Rupp, Andy & Bennett Jurski and Dave & Eileen Cufur were treated to a very colorful fall tour created by Lynn & Karen Rupp. They were joined by John Krupp at the Bendzick farm. We were treated to a delicious lunch that was waiting for our arrival. Somehow everyone attending brought a dessert to share and believe me they were all delicious! A big thank you to John & Charlene for the generous hospitality!

Andy called the meeting to order.

-Mary Lou made a motion to accept the secretary's report as printed in the Stove Bolt News. It was seconded by John Bendzick. Motion passed.

-Paul presented the treasury report as given to him by Art Lutz as of 9-30-2022. Dave made a motion to accept it, seconded by John Krupp. Motion passed.

-It was reported that Harold Cuthbertson has been moved to a memory care facility. Jim Jacobs also has moved.

-Paul reported that there was 1 bracket sold in September and none to date in October.

New Business

-John Bendzick shared that one of the groups that he is active with would like to supplement any charitable donations for veterans the GCR supports.

-Dan Groman of the WBR has shared that there is a car club registry "car show safari" that lists car clubs. If there is no cost and is safe the GCR will probably join and link our future website.

Old business-

-Our recent successful Chevrolets and Coffee event was discussed. Fifteen attendees from the first event have received our newsletter offering a chance at winning a free electronic VCCA and GCR membership. Steve Oltman of the Sandusky area won the membership. Welcome Steve!! There was no additional interest from attendees from the second event. It was discussed about having a 50/50 for a charity. Each event had a cost of approximately \$200.00. We will evaluate the benefits at next year's board meeting.

-Discussion turned to the club elections. Andy Jurski is willing to serve as Director again and Paul Svatik agreed to the Vice Directors position again. Art Lutz is willing to remain as treasurer with the stipulation that there be someone else on the checking account to substitute in his absence as he hopes to winter in a warmer climate this winter. There was discussion and Dave Cufur agreed to the step in during Arts absence. Art Lutz and Lynn Rupp are in hopes that the annual board meeting can be held before their winter departures. Mike Cook and Lynn Rupp have agreed to serve on the board. Emily Lescallett is willing to fill the secretary's position with the stipulation that the schedule of events be set 3 months in advance for scheduling purposes and that someone will take minutes if she is absent. Those in attendance voted and accepted the slate of officers. It was agreed to address the new slate of officers at the December Christmas party.

Andy made a motion to adjourn, Charlene seconded. Meeting adjourned.

Members then enjoyed some friendly "corn hole" competition before touring home on a different route so we could enjoy even more of the beautiful scenery.
